"Cheap for cash is my song  
That I sing all day long.  
Oh listen to my little lay  
And see what Dekle has to say."  
Mr. "Dick" Lewis, of Marianna, was here Tuesday on business.  
Dr. Percy Wilson, of Sneads, visited his father, E. C. Wilson last week.  
Dr. F. C. Wilson and F. D. White made a business trip to Graceville Monday.  
Transactions in real estate have been lively lately, several deals being made.  
Charles Jones, of Campbellton, visited his brother Ed Minchen here Sunday and Monday.  
Mr. Ben Forrester, of Cypress, came up Monday eve for a visit to his father and on business.  
Mr. E. A. McColsky left Monday for Atlanta on business, thence to N. C. to visit friends and relatives.  
I have everything in the line of shoes except your feet. Let them bring you to E. N. Dekle's Store.  
To subscribers and friends:—Owing to sickness in our family we are one day late this week; please bear with us.  
In these hard times it behoves a man to trade where his money is worth the most. Go to E. N. Dekle for bargains.  
Esq. White says it was impossible for him to be here last week, as he had to build a stack chimney to a turpentine farm.  
Before you buy your millinery goods just call and see Mrs. Loftin. Ladies hats, ribbons, laces and other things too numerous to mention.  
This is the time of year that a mans pants needs renewing—making a new suit from an old coat and vest is dead easy—just add a new pair of pants bought at E. Dekle's.  
Mr. J. B. Williams, Tax Collector of Holmes Co. made a hurried call at our office Tuesday. He is getting things in shape to make his first round.  
Hon. R. L. Scarlett left for Tallahassee Tuesday, where he goes to assume the duties of Surveyor General of Fla. We wish him success in his new place.  
We had a pleasant call last Friday afternoon from Mr. J. W. Lorton, of Pensacola. He is a genial gentleman, well versed in railroad matters, and just the man to fill the place he so honorably fills.  
Messrs. W. P. Payne, Sandy Bellamy and Mr. Bass went to the hammocks of Jackson county one day this week on a squirrel hunt. They had the best of luck.  
If you buy a Jefferson hat from me and it wears out in a short time, come and get a new one free, and you can crow over your neighbor who bought a cheap hat and when it wore out at once had to keep it. E. N. Dekle.  
Remember what we told you last week: if you want good whiskey, brandy or wine send your order, with a little cash to Jacoby and he will send you what you want. Every body knows Jake, and knows he will do what is right.  
Mr. Richard Bruner, formerly of this place, but now of Bruceville, Tex., arrived Saturday on a visit to friends and to look after business matters here. He reports crops short in that section of the lone star state. We wish him a pleasant visit.  
The three-year-old boy of J. A. Johnson, of Lynn Center, Ill., is subject to attacks of croup. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his little boy's life. He is in the drug business a member of the firm of Johnson Bros. of that place; and they handle a great many patent medicines for throat and lung diseases. He had all these to choose from and skilled physicians ready to respond to his call, but selected this remedy for use in his own family at a time when his child's life was in danger, because he knew it to be superior to any other, and famous the country over for its cures of croup. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by Dr. R. B. Bellamy and J. R. Farrior.

**To Cure a Cold in One Day.**  
Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c. 10-23-8  
Mr. A. J. Gay left for his home at Gay, Fla., Wednesday morning to engage in the turpentine business. He has secured seven thousand acres of land and he and Judge Carter will open a turpentine business there. Mr. Gay has been with us quite a while, engaged in the stable business, which he now leaves to his son. We regret to part with him, but wish him the best of luck in his new enterprise.  
Mr. F. R. Forrester has sold his entire property here, and all of his, and his son's, Ben Forrester, at Cypress, to Mr. "Dick" Lewis, of Marianna, and has bought a plantation from Mr. Lewis, on Chatahoocnee river. He will move to his new plantation about the first of Dec, but will continue his mercantile business at Cypress until Jan. 1st next, then close out and move to his place on the river.  
**No Cure—No Pay.**  
That is the way all druggists sell Groves Tasteless Chill Tonic for Chills and Malaria. It is simply iron and Quinine in a tasteless form. Children love it. Adults prefer it to bitter nauseating tonics. Price, 50c.  
**Marriage.**  
On the 14th day of Nov. '06, Mr. Benjamin F. Dykes and Mrs. Sallie C. Gwynne were joined together in the bonds of wedlock at the residence of M. C. Parks, near Chipley Fla. The ceremony was performed by Rev. W. P. Richardson.  
"The worst cold I ever had in my life was cured by Chamberlain's Cough Remedy," writes W. H. Norton, of Sutter Creek, Cal. "This cold left me with a cough and I was expectorating all the time. The remedy cured me, and I want all of my friends when troubled with a cough or cold to use it, for it will do them good." Sold by R. B. Bellamy and J. R. Farrior.  
**Fever at Pensacola.**  
Pensacola, Fla., Nov. 15.—A Russian Jew, named Goldberg, died here last night of yellow fever, as revealed by an autopsy. Goldberg was a dealer in second-hand shoes and is supposed to have contracted the disease from a box of second shoes recently received by him. Every precaution has been taken to prevent the disease spreading. There are no other suspicious cases.  
**Free to Sufferers.**  
Cut this out and take it to your druggist and get a free bottle of Dr. King's New Discovery for consumption, coughs and colds. They do not ask you to buy before trying. This will show you the great merits of this truly wonderful remedy, and show you what can be accomplished by the regular size bottle. This is no experiment, and would be disastrous to the proprietors, did they not know it would cure. Many of the best physicians are using it in their practice. It is guaranteed. Trial bottles free at J. R. Farrior's Drug Store.

**How to Cure Bilious Colic.**  
I suffered for weeks with colic and pains in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured me. I have since recommended it to a good many people. Mrs. F. Butler, Fairhaven, Conn. Persons who are subject to bilious colic can ward off the attack by taking this remedy as soon as the first symptoms appear. Sold by R. B. Bellamy and J. R. Farrior.  
On last Saturday morning Mrs. L. Wislodge had a rather strange though serious accident. She was leading a horse by a halter rope, when it became frightened and in some way the line became twined around her thumb, and in the hore plunging around it jerked her thumb off at the first joint, stripping the flesh all off back to half way between the first and second joint, leaving the bare bone. Dr. Wislodge was called, placed it back, and will wait to see if it will grow back; if not it will hafta be taken off.  
**FOR OVER FIFTY YEARS**  
Mrs Winslow's Soothing Syrup has been used by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by Druggists in every part of the world. 25c a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

**VERNON DOTS.**  
As the docket was shown in your paper to Thursday last, I will begin with Thursday—State of Florida vs John Douglas, convicted of assault with intent to kill; penalty 18 months in the State Penitentiary.  
State of Florida vs Chas. Simmons, convicted of larceny; one day in pen and to pay costs.  
State of Florida vs Eugene Crosby, charged with murder; verdict not guilty.  
Friday—State of Florida vs Jno. Hart, charged with selling obscene pictures; verdict guilty; sentence 3 months in State pen and costs.  
State of Florida vs Raymond West, convicted of aggravated assault; sentence 30 days in the county jail.  
State of Florida vs Garfield Roach, convicted of aggravated assault; sentence six months in county jail at hard labor.  
State of Florida vs A. D. May and others, charged with breaking and entering in night time with deadly weapons, etc.; sentence as to A. D. May and Joseph Sander one year in state pen, as to Sarah May and Ann J. Sanders \$901 and cost. One prisoner escaped and his bond was forfeited. The defense was allowed 30 days for bill of exceptions.  
Saturday—State vs Ella Mathews, breaking and entering, plead guilty; sentence 30 days in county jail.  
State vs Chas. McHenry, sureties on bond, judgment ordered.  
County of Washington vs L. D. Watts et al; verdict \$450 and interest from 1st of July 1891.  
Y. W. Davis sentenced 9 months in county jail or a fine of \$300 and cost.  
Quite a number of cases were continued. Everything passed off pleasantly. Judge Maxwell informed the officers and attorneys that the cases were for trial and to be ready. You can readily see how he kept his word, as there was more business transacted at this term of court than has ever been known in a Washington County Court. The most eloquent efforts of any attorney was made by Maj. Hines, of Marianna, in the defense in the murder case, and Hon. John H. Carter in State against May and others, prosecuting for the state. Sheriff Allen had the misfortune of loosing two prisoners, but we can rest assured he will bring them to justice. Almost all the officers were overworked by such heavy work.  
Tax Collector A. Q. Jones, left for Paint Washington on business this week.  
Talk of new turpentine firms is the order of the day.
